Online Course For Court Indiana

Introduction

If you've been charged with an offense in Indiana or have a legal mandate, this site offers online court ordered programs. The aim is to provide accessible, flexible, and informative online classes that help people meet legal requirements or work on personal development. Courses are self paced and can be done entirely from home or any device; no need for in- person attendance.

Course	Purpose / Description
Adult Decision Making Course	Helps with thoughtful decisions for legal/personal growth.
Anger Management Course	Manage emotions and triggers; court mandated option.
Alcohol Awareness Course	Covers alcohol impacts; useful for alcohol related offenses.
Firearm Safety Course	Guidance on safe handling, storage, and legal requirements.
Domestic Violence Prevention	Prevention, awareness, and healthy relationship skills.
Anti Theft / Shoplifting Class	Teaches consequences and prevention of theft offenses.
Drug Awareness Program	Educates on drug misuse, law, and health effects.
DWI (1st/2nd Offender)	Focuses on responsibility, consequences, prevention.
Juvenile Decision Making	Supports better judgement and decision skills for minors.
Minor in Possession	Awareness course for under 21 with alcohol possession.
Parenting Education	Builds essential parenting skills.
Tobacco / Vaping Awareness	Covers health risks and legal aspects.
Public Intoxication Class	Education and prevention for public intoxication offenses.
Marijuana / THC Awareness	Covers cannabis laws, effects, and awareness.
Theft Awareness Program	Helps understand theft offenses and prevention.

Before enrolling, confirm with your legal authority that the chosen course satisfies your required obligation.

Testimonials

“Simple, clear, and effective. The course explained decision making in a way that made sense. I finished it and got my certificate right after.”

– Kevin Ross

“This course really opened my eyes about how my choices affect not just me, but people around me. It’s practical and to the point.”

– Jennifer Ward

“The anger management program helped me break down triggers and gave me healthier alternatives. Finishing it and receiving the certificate felt like a big step forward.”

– Sarah Jennings

Tips Before You Enroll

- Double check with your court / legal advisor that the course you pick is acceptable (course topic, hours, certificate) for your specific case.
- Review the duration of the course. Some may take several hours; ensure you can commit time.
- Make sure the device you’ll use has stable internet, since it’s all online.
- Keep copies of your certificate and any confirmation in case you need to submit it.
